JASON REDMAN

Retired Navy SEAL Jason Redman is the New York Times and Amazon bestselling author of *The Trident*, *Overcome* and *Pointman Planner*. He has defied the odds multiple times. From a leadership failure back to redemption and respect, to being shot eight times, including a round to the face, Jason is the epitome of the *Overcome Mindset* he teaches. Jason now motivates and inspires audiences across the country with his remarkable journey of leadership and redemption through motivational speaking, workshops, personal coaching, courses and even a TedX Talk. Jason has merged all these lessons into relatable content teaching others how to become their own Pointman for Life, Get off the X and Overcome all.
